Update from the Tech Communication Committee

Hello Summer! Gene, Barb, Brenna, Luke Paskert, and I have been very busy this winter working on a new office management system that will replace our website. By the time you read this, we hope it is operational and you have had a chance to explore the site. The system is definitely an upgrade from our current website and provides automated functionality for so many different office functions.

To improve the communication for our members, we have established an official Facebook page. Brenna Young is the main administrator of the page and has done great work developing it. We recognize many members prefer Facebook communication over emails. The page will allow only current SVILA owners and will be comment free as the main focus is to provide up-to-date information from the Association. The official page is Sun Valley Iowa Lake Association- SVILA. If you haven't joined, please do so.

We hope you will like the technology upgrades. Have a great summer of fun at the lake!

Laura Wolfe, Chairperson

ICF Foundations: New Construction | Additions | Frost Walls

Concrete: Driveways | Floors | Patio | Sidewalk

We can help you design ANY outdoor space!
